Once again in 2015, Carmarthen was the first venue of four to host the league match and welcome over 700 athletes, spectators and officials to Carmarthen from the other eight clubs.

After the disappointment of the two previous matches in 2013 and 2014 at Johnstown having to be abandoned because of the terrible conditions, it was good to be able to complete the list of events timetabled as planned.

It was encouraging to see a record number of Carmarthen Harriers athletes out competing at their home match in the Louise Arthur, which produced many good results, many first timers. On the day, Carmarthen Harriers started well finishing in 3rd position after 7 hours of exciting competition in windy and cloudy but dry conditions. They will be looking to continue this fine form in the other matches.

Hosting a match requires a lot of support and hard work, so thank you to all Carmarthen Harriers officials and parents who helped out on officiating, team management and refreshments, some who worked tirelessly for over 10 hours!
