UK Boys & Girls Clubs, Swansea Half Marathon, Llandovery Triathlon, Masters Champs & Ammanford Fun Run

### UK Boys & Girls Clubs Championships

For over 50 years Athletics have been providing opportunities from young people in clubs to undertake athletics and cross country events. The Boys' and Girls' clubs of Wales host two major athletics competitions every summer with a total of 800 athletes taking part. These are the Boys and Girls Welsh Champs and Clubs for Young People UK Champs.

The sports are used as an instrument for social cohesion for young people as a way of keeping them actively engaged within the clubs and their communities.

The Carmarthen Harriers representatives were chosen from athletes who competed in the first Louise Arthur match in Carmarthen last month.

A team from Carmarthen travelled to the Cardiff International Stadium to compete for the Welsh Boys & Girls Clubs combined Carmarthen / West Wales Team which gave the youngsters a new challenge, running against different young people clubs and athletics in England, while making new friends at the same time. The Carmarthen scorers were the A string (4) with the West Wales athletes scoring as B string (44)

The teams that were in Cardiff were: Carmarthen/West Wales, Newport, Cardiff, Durham and Essex.

Despite the wet conditions and perhaps the turnout and standard being low, the team excelled themselves again returning home with a collection of medals, 78 in total. All age groups were invited and part of the competition in the Welsh Capital, from Under 11 Boys and Girls to the U20's. The club did not enter teams for this event 12 months ago due to it clashing with the latest LA match.

The Carmarthen Harriers performances were rewarded at the end of the day as both the Under 15 Boys and Girls won the overall team trophies with the other age groups also finishing well in the top three behind a very strong Durham team.

Well done
